The Urban Resources Development Corp., My Way, Center in the Park, The Energy Co-op and Habitat for Humanity, will provide information on the services they have to offer **elderly homeowners** and **seniors** at affordable costs.

URBAN RESOURCES DEVELOPMENT CORPORATION (URDC) is a non-profit housing organization committed to stabilizing communities in Germantown through home repair and rehabilitation. URDC provides exterior home repair for low-income and elderly homeowners in Germantown and helps these homeowners pay for exterior home repairs through low-interest loans, grants, and church volunteer programs.

Affordable errands, housekeeping, repairs and home care for people 55+. My Way is the **affordable** non-profit servicing Germantown, Mt. Airy, East and West Oak Lane, and Chestnut Hill that can handle virtually anything on your to-do list. Need a ride to the store? Yard work? Home repairs? Medication reminders?

The neighbor that takes care of everything\*

Habitat's concept centers on those in need of adequate shelter working side by side with volunteers to build decent, affordable houses. The houses are built at no profit. New homeowners' house payments are combined with no-interest loans provided by supporters and money earned by fundraising to create "The Fund for Humanity," which is then used to build more homes. Habitat also assists with Critical Home Repairs and Weatherization.
